

RF Amplifiers

Electronics & Innovation designs and manufactures RF Power Amplifiers, Broadband Linear RF Amplifiers, Custom RF Amplifiers, Class A and AB Amplifiers. E&I manufactures and supports a wide range of RF Amplifiers covering a wide frequency range.

All our products provide a rugged source of RF power, useful for ultrasonics, laser modulation, RFI/EMI, plasma equipment and general laboratory applications. The quality of our products represents E&I's commitment to providing RF power amplifiers of the highest quality, durability and ruggedness.

Please refer to the RF Amplifier product chart below for a list of all E&I Amplifiers. For a comparison between E&I RF Amplifiers and ENI RF Amplifiers, please refer to the table below.

E&I RF Amplifier Product Chart

ENI Amplifier and E&I Amplifier Product Comparison

ENI 240L	E&I 240L	40 Watt Class A Linear power
ENI 2100L	E&I 2100L	100 Watt Class A Linear power
ENI 325LA	E&I 325LA	25 Watt Class A Linear power
ENI 350L	E&I 350L	50 Watt Class A Linear power
ENI 3100LA	E&I 3100LA	100 Watt Class A Linear power
ENI 3200L	E&I 3200L	200 Watt Class A Linear power
ENI 403LA	E&I 403LA	3 Watt Class A Linear power
ENI 411LA	E&I 411LA	10 Watt Class A Linear power
ENI A150	E&I A150	150 Watt RF Power
ENI A300	E&I A300	300 Watt RF Power
ENI A500	E&I A500	500 Watt RF Power
ENI A1000	E&I A1000	1000 Watt RF Power
ENI 1040L	E&I 1040L	400 Watt RF amplifier
ENI 1140LA	E&I 1140LA	1000 Watt Class AB amplifier
ENI 510L		
ENI 525LA	E&I 525LA	
ENI 550L		
ENI 5100L		
ENI 601L	E&I 601L	
ENI 603L	E&I 601L*	
ENI AP-400B	E&I 1040L*	400 Watt RF amplifier
ENI VPA 1987	E&I 1040L*	400 Watt RF amplifier
EGR 800B	E&I 1140LA*	1000 Watt Class AB amplifier
EGR 1600B	E&I 1240LA*	2000 Watt Class AB amplifier
EGR 3200B	E&I 1240LA*	2000 Watt Class AB amplifier
